## Conference and Event Facilities

The Westin Zagreb hosted the Coca Cola leadership conference in February 2013 and The Mayo Clinic's 19th International Surgical Pathology Symposium in May 2012. It was the headquarter hotel for EBRD's (European Bank for Reconstruction and Development) Annual Conference in May 2010. Zagreb's rapid economic growth has helped position the hotel as the meeting point for many international companies and is the venue of choice for many corporate clients such as Ericsson, Daimler, VW, DHL and General Motors. With over 13 conference rooms, including the largest ballroom in the city, the hotel is the city's most prestigious event venue. Facilities are of the top order - the Crystal Ballroom has hosted such events as the World Congress on Law in Medicine, UEFA's gala dinner, the World Congress on Wine & Vine and the Presidential Summit for East European Countries.
